⚠️ SARA DUTERTE's IMPEACHMENT PLANS ⚠️

Plan A: Tumakbo sa Supreme Court to get a TRO against the April 14 impeachment hearing.

Plan B: Tumakbo kay GMA at gawin siyang Speaker para mapatigil ang impeachment.

Plan C: Magpakalat ng fake news na patay na si BBM or may Stage 4 Cancer na para matakot mga Congressman na hahalili na si Sara kay BBM.

Plan D: Launch a RAGE Coalition kahit walang good governance or accountability sa mga DDS personalities.

Plan E: Mag file ng petition sa Supreme Court to demand that BBM disclose his medical records and state of health para gumawa ng ibang issue on the same day or week of this week's impeachment.

Plan F: Magpa self-invite sa mga graduations and religious gatherings like Our Lady of Manaoag's Centenary Celebration para mag mukhang mabait at hindi baliw tulad nuong unhinged Zoom rant niya dahil yan ang payo ng kanyang Public Relations expert or team.

2026-04-13 07:37:38

Plan G: Tuloy-tuloy pa din na siraan si Leni Robredo at hindi si Raffy Tulfo dahil si Leni pa din ang strongest opponent ni Sara sa 2028 ayon sa kanyang election or campaign team.

Plan H: Get the HELP of more microinfluencers and bloggers tulad nung mga bagong active na DDS like Iloy Bugris and Suzette Doctolero.

Plan I to Z: ⁉️

Peter Magyar wins Hungary election as Orban concedes defeat | DW News

Hungarian opposition leader Peter Magyar is set to form the next government in Budapest after incumbent Prime Minister Viktor Orban conceded defeat in an historic election.

Early official results showed his Tisza party leading across the country. Orban described the result as "painful" and confirmed he had congratulated his rival.

The outcome could reshape Hungary's relationship with the European Union and NATO, and has major implications for Ukraine, where Orban had repeatedly blocked EU support. His defeat also sends shockwaves through right-wing political movements globally, including allies of US President Donald Trump and Russia's Vladimir Putin.

Magyar campaigned on tackling corruption and restoring democratic institutions, while promising to repair ties with European partners.
Our correspondents report from both campaign headquarters as Hungary enters a new political era.

Hungarian opposition figure Péter Magyar has expressed optimism about the outcome of the country's parliamentary election, positioning himself as a key challenger to Prime Minister Viktor Orban.

Magyar's remarks come as Hungary awaits results from a closely watched vote that could shape the country's political direction. The election has drawn significant attention both domestically and internationally, with issues such as governance, economic policy, and corruption taking center stage.

As ballots are counted, Magyar's confidence signals a potentially competitive race, with the opposition seeking to gain ground against Orban's long-standing leadership.

Trump warns Iran over Strait of Hormuz

Donald J. Trump
@realDonaldTrump

Iran promised to open the Strait of Hormuz, and they knowingly failed to do so. This caused anxiety, dislocation, and pain to many people and Countries throughout the World. They say they put mines in the water, even though all of their Navy, and most of their "mine droppers," have been completely blown up. They may have done so, but what ship owner would want to take the chance? There is great dishonor and permanent harm to the reputation of Iran, and what's left of their "Leaders," but we are beyond all of that. As they promised, they better begin the process of getting this INTERNATIONAL WATERWAY OPEN AND FAST! Every Law in the book is being violated by them. I have been fully debriefed by Vice President JD Vance, Special Envoy Steve Witkoff, and Jared Kushner, on the meeting that took place in Islamabad through the kind and very competent leadership of Field Marshal Asim Munir, and Prime Minister Shehbaz Sharif, of Pakistan. They are very extraordinary men, and continuously thank me for saving 30 to 50 million lives in what would have been a horrendous War with India. I always appreciate hearing that — The amount of Humanity spoken of is incomprehensible.

Trump warns Iran over Strait of Hormuz

The meeting with Iran began early in the morning, and lasted throughout the night — Close to 20 hours. I could go into great detail, and talk about much that has been gotten but, there is only one thing that matters — IRAN IS UNWILLING TO GIVE UP ITS NUCLEAR AMBITIONS! In many ways, the points that were agreed to are better than us continuing our Military Operations to conclusion, but all of those points don't matter compared to allowing Nuclear Power to be in the hands of such volatile, difficult, unpredictable people. My three Representatives, as all of this time went by, became, not surprisingly, very friendly and respectful of Iran's Representatives, Mohammad-Bagher Ghalibaf, Abbas Araghchi, and Ali Bagheri, but that doesn't matter because they were very unyielding as to the single most important issue and, as I have always said, right from the beginning, and many years ago, IRAN WILL NEVER HAVE A NUCLEAR WEAPON!

PARA SA TUMITIGAS NA BALITA:
Mapangheng DDS Vlogger na si Sass Sasot di kinaya ang mga new pictures ni Kitty Duterte

JUST IN: Feeling babae at mabahong DDS Vlogger na si Sass Sasot tinitigasan daw sa bagong pictures ni Kitty Duterte para sa kaarawan neto

Ayon sa kanyang post na binura niya agad, tila lumabas daw kaniyang pagiging lalake dahil sa bagong mga larawan ni Kitty Duterte

Grabe, yung career mo was precisely about arousing men. Then I will admit that I am simply aroused by you 😍, wag ka sana magalit kung tinitigasan ako at lumalabas ang pagkalalake ko, anyway Happy Birthday Kitty 🎉

This National Literature Month, Vice President Sara Duterte says literature is the infrastructure of democracy.

She says 25 million Filipinos are not functionally literate so she asks mothers to read with their children.

Duterte is former DepEd Secretary whose term was hounded by issues.

"Hindi tayo makabubuo ng isang bansang mapanuri kung marami pa rin sa atin ang hirap umunawa sa binabasa. Ang bawat librong binubuksan ay hakbang tungo sa isang mas matalinong mamamayan," she said. | via Jervis Manahan, ABS-CBN News

‘SIYA, SA PANAHON NGAYON, ANG BAYANI’

Inihalintulad ni Sen. Robin Padilla si dating pangulong Rodrigo Duterte kay Lapu-Lapu bilang makabagong bayani dahil sa kaniyang paninindigan umano laban sa mga dayuhan, dahilan ng kaniyang pagkakakulong sa The Hague.

Sinabi ito ng senador sa pagdalo niya sa paglulunsad ng Reform Alliance for Good Governance and Accountability o RAGE coalition ngayong Linggo, April 12.

President Donald Trump delivered an extraordinary broadside against Pope Leo XIV on Sunday night, say... more
Pope Leo is weak on crime, and terrible for foreign policy.
Leo should be thankful because [...] he was a shocking surprise. He wasn't on any list to be Pope, and was only put there by the Church because he was an American, and they thought that would be the best way to deal with President Donald J. Trump. If I wasn't in the White House, Leo wouldn't be in the Vatican."

Dear brothers and sisters, there are certainly binding responsibilities that fall to the leaders of nations.
To them we cry out: Stop! It is time for peace! Sit at the table of dialogue and mediation, not at the table where rearmament is planned and deadly actions are decided!"

Nagtipon-tipon sa tapat ng Kamara ang ilang nagpoprotesta para igiit ang pagtatanggal sa VAT at excise tax sa langis para maibsan ang paghihirap ng publiko sa gitna ng krisis sa Middle East.
Isa si Batangas Rep. Leandro Leviste sa dumalo sa kilos-protesta. Aniya, nakailang hearing na raw ang Kongreso pero wala pa raw sagot kung ibababa o isususpinde ang VAT sa langis. Panawagan niya, tama na ang mga hearing at magbotohan na dapat ang Kongreso para pababain ang VAT. | via Ian Cruz/GMA News

This National Literature Month, Vice President Sara Duterte says literature is the infrastructure of democracy.

She says 25 million Filipinos are not functionally literate so she asks mothers to read with their children.

Duterte is former DepEd Secretary whose term was hounded by issues.

"Hindi tayo makabubuo ng isang bansang mapanuri kung marami pa rin sa atin ang hirap umunawa sa binabasa. Ang bawat librong binubuksan ay hakbang tungo sa isang mas matalinong mamamayan," she said. | via Jervis Manahan, ABS-CBN News

ASSASSINATION PLOT KAY PBBM?
Sumulat si Ramil Madriaga, ang nagpakilalang bagman umano ni Vice Pres. Sara Duterte, para isiwalat ang umano'y assassination plot laban kay Pres. Bongbong Marcos at ibang Cabinet officials.
May petsang April 11, 2026 ang naturang sulat.
"FPRRD mentioned to me about letting Marcos run along with Sara as presidential candidate as part of a plan of retaking the presidency from BBM by year 2025," bahagi ng pahayag ni Madriaga.
"In the event that BBM refused to honor the agreement and opted not to relinquish his post as President, extraordinary measures of overthrowing BBM should be considered, like impeachment, assassination by poisoning, or any other means, and by the use of People Power."
Wala pang pahayag ang Pangulo, Palasyo, at bise tungkol dito.

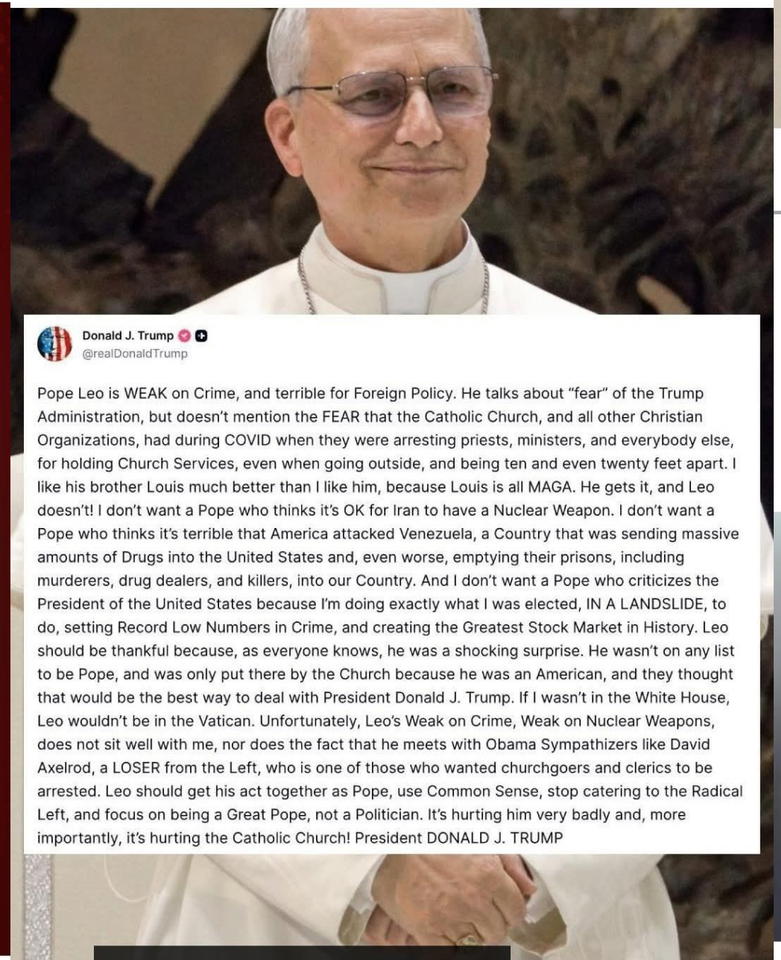
It now seems Trump is at war with the Catholic Church.



Donald J. Trump ✓
@realDonaldTrump

Pope Leo is WEAK on Crime, and terrible for Foreign Policy. He talks about "fear" of the Trump Administration, but doesn't mention the FEAR that the Catholic Church, and all other Christian Organizations, had during COVID when they were arresting priests, ministers, and everybody else, for holding Church Services, even when going outside, and being ten and even twenty feet apart. I like his brother Louis much better than I like him, because Louis is all MAGA. He gets it, and Leo doesn't! I don't want a Pope who thinks it's OK for Iran to have a Nuclear Weapon. I don't want a Pope who thinks it's terrible that America attacked Venezuela, a Country that was sending massive amounts of Drugs into the United States and, even worse, emptying their prisons, including murderers, drug dealers, and killers, into our Country. And I don't want a Pope who criticizes the President of the United States because I'm doing exactly what I was elected, IN A LANDSLIDE, to do, setting Record Low Numbers in Crime, and creating the Greatest Stock Market in History. Leo should be thankful because, as everyone knows, he was a shocking surprise. He wasn't on any list to be Pope, and was only put there by the Church because he was an American, and they thought that would be the best way to deal with President Donald J. Trump. If I wasn't in the White House, Leo wouldn't be in the Vatican. Unfortunately, Leo's Weak on Crime, Weak on Nuclear Weapons, does not sit well with me, nor does the fact that he meets with Obama Sympathizers like David Axelrod, a LOSER from the Left, who is one of those who wanted churchgoers and clerics to be arrested. Leo should get his act together as Pope, use Common Sense, stop catering to the Radical Left, and focus on being a Great Pope, not a Politician. It's hurting him very badly and, more importantly, it's hurting the Catholic Church! President DONALD J. TRUMP

VP SARA'S ASSASSINATION PLOT VS. PBBM?

Ramil Madriaga, the self-confessed bagman of Vice President Sara Duterte, has claimed the existence of a plot to remove President Ferdinand Marcos Jr. from office by all means, including assassination.

Based on a handwritten letter, Madriaga said political discussions leading up to the 2022 elections included plans to position VP Sara for a future takeover of the presidency before the end of Marcos' term.

"In November 2021, FPRRD mentioned to me about letting Marcos run along with Sara as presidential candidate as part of a plan of retaking the presidency from BBM by year 2025," Madriaga wrote.

He said that the plot includes "extraordinary measures of overthrowing BBM... like impeachment, assassination by poisoning, or any other means, and by the use of People Power."

'KAYA PALA KAPAG NAGTATANONG KAMI, WALA NA KAYONG SINABI KUNG HINDI PAG-AARALAN'

Ginisa ni Sen. Imee Marcos si Department of Energy (DOE) Sec. Sharon Garin dahil sa hindi pagsunod ng departamento sa direktiba ni Pres. Bongbong Marcos na 4-day workweek para makatipid ng enerhiya at gasolina.

Nanindigan naman si Garin na nagagampanan pa rin ng DOE, lalo na ng mga tauhan nito, ang kani-kanilang trabaho kahit dalawang araw lang ang kanilang onsite na trabaho.

Giit pa ng kalihim, napipirmahan pa rin ng DOE ang mga permit at proyekto dahil automated ang kanilang sistema.

‘COME TO THE GYM WITH ME’

Sa pagharap niya sa mga miyembro ng media ngayong araw, April 13, nag-jumping jacks si Pangulong Bongbong Marcos. Ito’y sa kabila ng mga espekulasyon sa kaniyang kalusugan.

“I challenge anyone who are saying that I am sick that they come and exercise with me. We will see who is stronger. Come to the gym with me. Tingnan natin kung sino mas malakas magbuhat ng weights,” saad niya.

Congratulations to Rory McIlroy on another Great Championship, The Masters! He performed tremendously under intense pressure, something which few people would be able to even think about doing. With each year, Rory is becoming more and more a LEGEND! I look forward to watching him compete in two weeks at Doral. The quality of Professional Golfers today has become extraordinary, each and every one of them. They should all be proud of the way they played at The Masters this weekend! President DONALD J. TRUMP

Pope Leo XIV on Monday responded to criticism from President Trump, telling reporters while traveling to Algeria that he has “no fear” of the White House.

"I have no fear of the Trump administration, nor speaking out loudly about the message of the gospel. That's what I believe in. I am called to do what the church is called to do,” Pope Leo said.

Ito ang pangako ni Claire Castro sa isa niyang followers habang nagko-content ito sa naging RAGE Presscon ni Mayor Baste Duterte.

Mayroong isang follower ni Castro ang kumwestiyon sa naging pahayag ni Atty. Respicio na tinawag nitong pambabastos kay PBBM at nagtanong kung wala bang aksyon ang mga kapulisan tungkol dito partikular sa DILG dahil ito umano ay isang Vice Mayor ng Isabela.

Sagot ni Castro, ipapa-check niya umano ito sa DILG katulad na lamang ang naging pahayag ni Mayor Baste Duterte tungkol sa "ulo ni PBBM".

Aniya ni Claire Castro, "Yes yes, sige ahmm.. Ipapa-check natin sa DILG ito ha? kasi katulad nito, ang target niya (Baste Duterte) ulo! ni PBBM."

@realDonaldTrump

Pope Leo is WEAK on Crime, and terrible for Foreign Policy. He talks about "fear" of the Trump Administration, but doesn't mention the FEAR that the Catholic Church, and all other Christian Organizations, had during COVID when they were arresting priests, ministers, and everybody else, for holding Church Services, even when going outside, and being ten and even twenty feet apart. I like his brother Louis much better than I like him, because Louis is all MAGA. He gets it, and Leo doesn't! I don't want a Pope who thinks it's OK for Iran to have a Nuclear Weapon. I don't want a Pope who thinks it's terrible that America attacked Venezuela, a Country that was sending massive amounts of Drugs into the United States and, even worse, emptying their prisons, including murderers, drug dealers, and killers, into our Country. And I don't want a Pope who criticizes the President of the United States because I'm doing exactly what I was elected, IN A LANDSLIDE, to do, setting Record Low Numbers in Crime, and creating the Greatest Stock Market in History. Leo should be thankful because, as everyone knows, he was a shocking surprise. He wasn't on any list to be Pope, and was only put there by the Church because he was an American, and they thought that would be the best way to deal with President Donald J. Trump. If I wasn't in the White House, Leo wouldn't be in the Vatican. Unfortunately, Leo's Weak on Crime, Weak on Nuclear Weapons, does not sit well with me, nor does the fact that he meets with Obama Sympathizers like David Axelrod, a LOSER from the Left, who is one of those who wanted churchgoers and clerics to be arrested. Leo should get his act together as Pope, use Common Sense, stop catering to the Radical Left, and focus on being a Great Pope, not a Politician. It's hurting him very badly and, more importantly, it's hurting the Catholic Church! President DONALD J. TRUMP

After Trump made a post attacking Pope Leo, he posted 2 AI photos within a minute of each other. One depicting himself as Jesus healing someone & the other of a Trump tower on the moon. Totally normal things that the president of our country should be posting.

DID YOU SEE THIS? After posting a late night rant attacking Pope Leo XIV, Trump topped off his attacks on the Church by posting an AI-generated image depicting himself as Jesus Christ.

This blasphemous post received such overwhelming criticism from BOTH sides of the aisle—including his prominent MAGA supporters and allies—that Donald Trump DELETED the post.

This is a new low. Christians, and all Americans, deserve better.

TRUMP POSTED THIS,
THEN DELETED IT.

Trump is now attacking the Pope for speaking out against war while posting images of himself as a messianic figure.

This is not only offensive. It is deranged, egomaniacal behavior.

When will Republicans in Congress stop blindly following this dangerous and unhinged man?

In November 2021, FPRRD mentioned to me about letting Marcos run along with Sara as presidential candidate as part of a plan of retaking the presidency from BBM by year 2025. This is to extend Duterte's control of the Philippine government, using BBM merely as a political tool.

Sa gitna ng mga ispekulasyong kumakalat na may sakit umano si Pangulong Bongbong Marcos, humarap siya sa media at diretsahan 'yang pinasinungalingan.

Bago ang press conference, nag-jumping jacks ang pangulo. Pagkatapos naman ay tumakbo pa!

Sabi ng pangulo, "Iyang mga taong 'yan na nagsabing may sakit ako, na baldado na ako — ngayon alam ninyo puro sinungaling 'yan mga 'yan."

Ang ibang detalye, abangan sa 24 Oras mamayang 6:30 PM.

JUST IN: Iran president condemns Trump's attack on Pope Leo XIV.

Masoud Pezeshkian has issued a public statement on X defending Pope Leo XIV, condemning what he described as an insult against the pontiff following recent criticisms from Donald J. Trump, while also denouncing the circulation of an AI-generated image depicting Trump as Jesus; he stressed that such disrespect—along with any desecration of Jesus, whom he referred to as a "prophet of peace and brotherhood"—is unacceptable to any free person, and, speaking "on behalf of the great nation of Iran," concluded by extending goodwill to the Pope, underscoring themes of religious respect and interfaith solidarity amid escalating global tensions.

Once I'm done making AMERICA GRATE AGAIN, I think I will run for Pope. Catholics love Trump and I know they want me to help them get rid of Leo and all those bleeding heart libs in the church who don't want to FIGHT the evil people of Iran for Jesus. They want a Pope like me who LOVES the children, makes lots of MONEY, and will do a cage match with SATAN. Thank you for your attention to this matter. DJT

Pope Leo is the global leader we need

A courageous voice who speaks reality without hesitation. He is bold, profoundly intelligent, and completely uncompromising.

While the Church has always been home to extraordinary thinkers, Pope Leo XIV stands out as the exact figure required for today's world. His intellectual prowess is staggering—mastering seven languages, holding degrees in both theology and mathematics, and possessing an IQ north of 145. Yet, his true strength... See more

The complaints mainly accuse the Vice President of betrayal of public trust, culpable violation of the Constitution, among others, over the alleged misuse of P612.5 million in confidential funds, and threatening to kill President Ferdinand "Bongbong" Marcos Jr. and his family.

JUST IN: Atty. Paolo Panelo, counsel of Vice President Sara Duterte, describes as “pure fiction,” the claim of Ramil Madriaga that former president Rodrigo Duterte allegedly had plans to remove President Marcos from his post in 2025.

“His allegations of a secret term-sharing agreement, planned ouster, and assassination plots against PBBM are pure fiction, and not even remotely believable,” Panelo said.

“If the need arises, we will be happy to refute each delusional claim point by point with evidence — something that has eluded all his allegations, past and present,” Panelo added. | via Bella Cariaso

A gentle reminder to our valued fish vendors and community: there are 6 reported cases in San Enrique of scombroid poisoning linked to aloy and tulingan.

What is Scombroid Poisoning?

This is a type of food poisoning that can happen when fish is no longer fresh, leading to high histamine levels that may cause allergic-like reactions.

Common Symptoms:
• Rashes and skin flushing
• Chest pain
• Difficulty breathing
• Dizziness and headache
• Vomiting and fever

Friendly Advisory:

- We kindly encourage everyone to ensure that only fresh fish is sold and consumed

- Let's work together to keep our customers safe and healthy

- It's best to avoid selling or buying fish that may no longer be fresh

-If symptoms occur, please seek medical attention right away

Thank you for your cooperation and continued commitment to food safety. Stay safe!

'ANG TANUNGAN MAMAYA AY MABABAW LANG'

Nilinaw ni Manila 3rd District Rep. Joel Chua na clarificatory questioning ang isasagawa sa mga indibidwal na ipina-subpoena ng House Committee on Justice at hindi cross-examination, sa pagpapatuloy ng impeachment hearing ng Kamara laban kay Vice Pres. Sara Duterte ngayong Martes.

Isa aniya sa mga tiyak na darating sa pagdinig ay ang sinasabing dating bagman ng Bise na si Ramil Madriaga.

ABSENT AGAIN: VP SARA SKIPS IMPEACHMENT HEARING

Hindi dumalo si Vice Pres. Sara Duterte sa House Committee on Justice impeachment hearing laban sa kaniya ngayong Martes, April 14.

Nakapwesto ang upuan ng Bise sa pagitan ng impeachment complaint endorsers na sina ML Rep. Leila de Lima at Manila 6th District Rep. Benny Abante.

Matatandaang naghain si VP Sara ng petisyon sa Supreme Court (SC) para hilingin ang temporary restraining order para ihinto ang naturang proceedings. Kinuwestiyon din niya ang mga subpoena na inisyu ng komite. | via Marianne Enriquez

I STAND WITH POPE LEO XIV, AND I STAND FOR PEACE.

In a time marked by division and conflict, this is a call to stand firm with Pope Leo XIV and to choose peace above all. Beyond the noise of political attacks, it urges individuals to rise in unity, uphold compassion, and defend the values of justice and human dignity—reminding everyone that peace is not passive, but a collective responsibility that must be actively pursued and protected.

Pope Leo XIV is not merely the head of state of the Vatican, but the spiritual shepherd of over a billion Catholics worldwide.

President Trump has, oddly, accused Pope Leo XIV of being "weak on crime," as if the Vicar of Christ were a mayor or a governor. Here's someone else who would probably be criticized for being too lenient with criminals, even promising one a place a heaven:

One of the criminals who were hanged there kept deriding him and saying, “Are you not the Messiah? Save yourself and us!” But the other rebuked him, saying, “Do you not fear God, since you are under the same sentence of condemnation? And we indeed have been condemned justly, for we are getting what we deserve for our deeds, but this man has done nothing wrong.” Then he said, “Jesus, remember me when you come into your kingdom.” He replied, “Truly I tell you, today you will be with me in paradise.”

✈️ Pope Leo XIV began a landmark visit to Algeria, where he called for forgiveness in a speech paying tribute to victims of the country's war of independence from France.

🇩🇿 It marked the first visit by a pontiff to the Muslim-majority country.

🇺🇸 The visit risked being overshadowed by public criticism from US President Donald Trump over the pope's stance on the Iran war.

ARTEMIS II CREW FIRST FEW MOMENTS BACK ON EARTH 🌎

Cheers from the Artemis II crew and recovery teams can be heard as the Orion spacecraft's hatch opened in a video shared by NASA astronaut and mission commander Reid Wiseman after their splashdown on Saturday morning (PH time).

They made history as they surpassed the record for human's farthest distance from Earth previously set by Apollo 13.

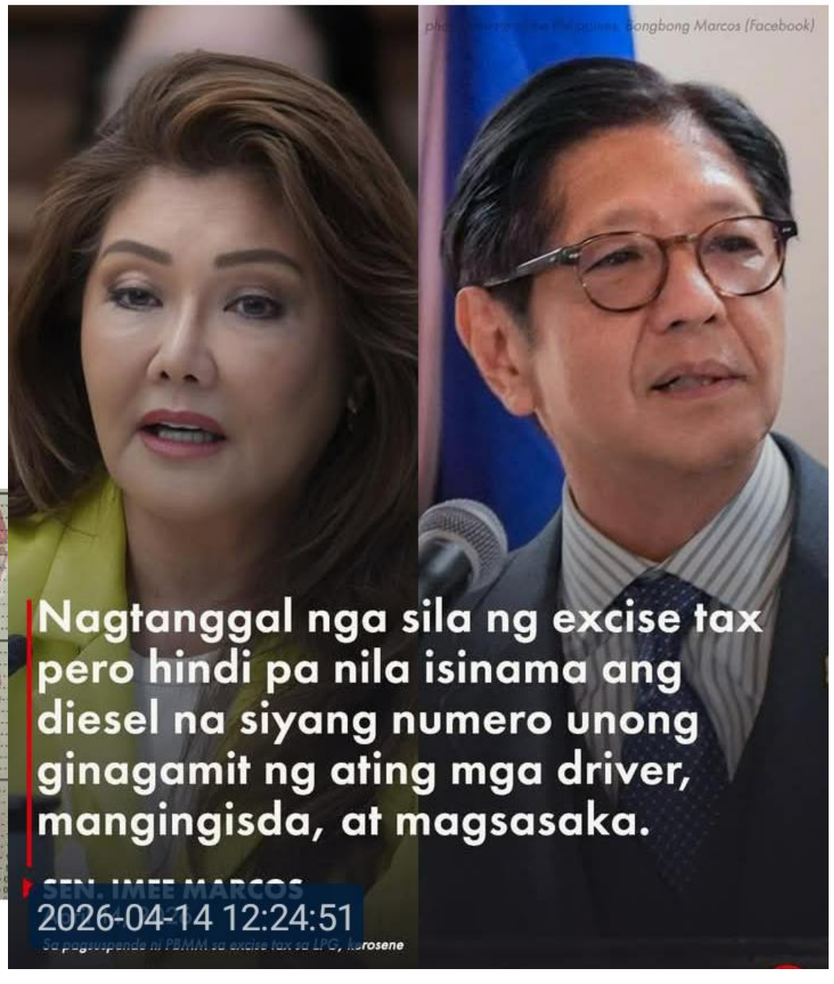
'HINDI PA NILA ISINAMA ANG DIESEL'

Kinuwestiyon ni Sen. Imee Marcos ang aniya’y unti-unting pagsuspende ni Pres. Bongbong Marcos sa excise tax sa ilang produktong petrolyo.

Nauna nang inanunsyo ni Pres. Marcos na suspendido na ang excise tax sa LPG at kerosene.



Nagtanggal nga sila ng excise tax pero hindi pa nila isinama ang diesel na siyang numero unong ginagamit ng ating mga driver, mangingisda, at magsasaka.

NAIYAK SI MADRIAGA

Naluha ang testigong si Ramil Madriga sa gitna ng pagbabasa ng kanyang supplemental affidavit sa pagdinig ng House Committee on Justice sa impeachment ni Vice Pres. Sara Duterte ngayong Martes, April 14.

Sa gitna ito ng pag-alala ni Madriaga sa pagsuporta niya sa kampanya ni VP Sara noong 2022 elections.

Dati umanong aide at “bagman” ng Bise si Madriaga.

'I SERVED AS A DUMMY FOR THE TRANSFER OF LARGE AMOUNTS OF MONEY'

Inamin ni Ramil Madriaga na nagsilbi siyang "dummy" para mag-transfer umano ng malalaking halaga ng pera sa ilang bank accounts noong termino ni dating pangulong Rodrigo Duterte.

"Despite only earning P100,000 to P150,000 from my services to PRRD, millions went through bank accounts opened for me by close associates of PRRD," saad niya sa kaniyang supplemental affidavit sa House justice committee hearing ngayong Martes, April 14.

"I admit that during PRRD's term as president, I served as a dummy for the transfer of large amounts of money. These transfers were made through bank accounts," dagdag pa niya.

Sa isang videoconference kasama ang bise, napansin pa raw niya ang painting sa likuran nito na sa kaniya mismo nanggaling bilang isang regalo.

Kalakip din ng kaniyang supplemental affidavit ang ilang mga retrato kung saan, personal niyang nakakasalamuha si VP Sara.

Idiniin din ni Madriaga na hindi toong hindi siya kilala ni Duterte.

Ipinakita rin niyang inimbitahan siya para personal na makadalo sa inauguration ni VP Sara sa Davao City.

MADRIAGA: OVP CONFIDENTIAL FUNDS, ISANG ARAW LANG INUBOS

Iginiit ni Ramil Madriaga na naubos ang P125 million confidential funds ng Office of the Vice President (OVP) sa loob lang ng isang araw, taliwas sa naunang ulat na 11 araw.

Sinabi ito ni Madriaga sa pagtestigo niya sa impeachment hearing ng House Committee on Justice laban kay Vice Pres. Sara Duterte ngayong Martes, April 14.

GANTI NI ROQUE KAY MADRIAGA?

Mariing sinabi ni Ramil Madriaga na si dating presidential spokesperson Harry Roque ang nasa likod ng kasong kinakaharap niya matapos siyang tumulong sa isang grupo ng mga magsasaka sa Mariveles, Bataan dahil sa inirereklamong land-grabbing ng mga ito.

Ayon kay Madriaga, plano umanong gawing Philippine Offshore Gaming Operators (POGO) Hub ang mga inaangking lupa sa Mariveles, sa pangunguna ni Roque at mga POGO partners nito.

We, at ISIP Pilipinas will cherish this moment you spent with us Mayor Sara Duterte Carpio. Irregardless of how far all of us were from each other, we felt as if you were beside us, like a mother comforting her children. We felt your sincerity, the strength of your character and most importantly...your humility.

You even went out of your way to create the Zoom link yourself when ours was having connection issues, we are merely your followers and you made us feel very special and important.

Those were the tiny instances that showed us how real a person you really are Mayora Sara.
As our founder Dr. Ram Madriaga said, "we cannot have a WISE vote if your name will not appear in the ballot."

The entire nation needs you to run for president and lead us Ma'am. Please heed our call.🙏🤟🇵🇭

Read the second paragraph. Hahahaha

This contradicts the statement of Madriaga saying that it was a one-on-one/private meeting with VP Sara.

Mga TANGA! It was a group zoom call.

There are other 48 parallel groups whom VP Sara thanked for supporting her candidacy.

I, **RAMIL L. MADRIAGA**, of legal age, Filipino and with address at c/o Annex 2, BJMP, Camp Bagong Diwa, Taguig City, after having been duly sworn in accordance with law, do hereby state:

1. I am currently a detainee at Camp Bagong Diwa, Taguig City for charges of kidnapping (Criminal Case Nos. R-MNL-22-05157-CR and R-MNL-22-05158) pending before the Regional Trial Court, Branch 21 ("RTC Manila").

More specifically, I provided a personal account of the various works I did for the aforementioned individuals including campaign and organizing activities, intelligence gathering and sabotage, and transportation of large sums of money under the direct instructions of either PRRD or Sara.

'NOT A SINGLE ONE OF THESE CLAIMS ARE SUPPORTED BY ANY DOCUMENT'

Hiniling ni SAGIP Party-list Rep. Paolo Marcoleta sa House Committee on Justice na ikonsidera na wala umanong anumang dokumento, recordings, witness, at written record na susuporta sa alegasyon ni Ramil Madriaga sa kaniyang supplemental affidavit.

"Not a single one of these claims is supported by any document, any recording, any other named witness or any contemporaneous written of any kind," saad ni Rep. Marcoleta.

"We are being asked to accept as evidence in a constitutional impeachment proceeding the bare and uncorroborated written recollections of a man currently detained for kidnapping," dagdag niya.

SEMANA SANG ILOILO JOB FAIR

#SemanaSangIloilo2026 | Bag-o magpuli, I decided to drop by the PESO Job Fair at the Grand Ballroom of Casa Real de Iloilo just to check how things were going. Nalipay guid ako nga masugata ang aton mga kasimanwa nga masinadyahon nga nagapaagguwa tungod hired on the spot sila, a small reminder that opportunities happen when we create spaces for them.

Madamo guid nga salamat kay Gov. Toto Defensor sa padayon nga suporta, kag kay Ma'am Cynthia Dario upod ang bug-os nga PESO team sa pag-organisar sang isa ka madinalag-on nga job fair. Nagapasalamat man ako sa tanan nga mga kompanya kag lokal nga negosyo nga naghiusa sa pagbulig kag paghatag sang oportunidad kag tsansa para sa aton mga pumuluyo.

Wala na ako nagpadugay kay masako ang tanan, but it was enough to see that meaningful work was being done. In times like these, helping one another find opportunities matters more than ever. More opportunities, more progress for Iloilo.

And just like that, that's a wrap for Semana sang Iloilo.

I read from several media reports that the One Hundred Twenty-Five Million Pesos (PhP125,000,000.00) OVP confidential funds in 2022 were reportedly utilized in just eleven (11) days. This is wrong because I personally disposed the money in less than twenty-four (24) hours."

Kung totoo ito, aba e hindi lang pala “fast-moving” ang confidential funds. Parang instant noodles na nilagyan ng turbo, nitro, at konting hiya na agad naubos sa loob ng isang araw. Isipin mo iyon: may mga Pilipinong ilang linggo pinagkakasya ang budget, tapos may pera ng bayan na diumano’y mas mabilis pang maglaho kaysa dignity ng mga taong dapat nagpapaliwanag nito. At doon lalong umiinit ang tanong, dahil ang confidential funds ay hindi naman dinisenyo para maging lustay funds; may Joint Circular mismo na nagtatakda ng entitlement, release, use, reporting, at audit, at COA itself says these funds are still subject to audit and liquidation rules.

Kung totoo ito, hindi na ito simpleng issue ng accounting. Performance art na ito ng kapangyarihan: ang bilis maglabas, ang bagal magpaliwanag, at ang kapal ng mukhang umastang tayo pa ang tanga. Parang ang mensahe sa taumbayan, “Huwag na kayong masyadong mausisa. Trust the process.” Eh anong process? Magic trick? Dahil kung totoo ito, ang problema ay hindi lang kung gaano kabilis naubos ang pera, kundi kung ang paggamit ba nito ay pasok sa very specific legal and audit framework na ginawa precisely because confidential funds carry secrecy risks and therefore require stricter controls, not looser ones.

Kung totoo ito, nako, hindi lang confidential funds ang problema. Confidential na rin yata ang common sense. Dahil sa gobyerno, lalong sa pondong may secrecy component, hindi badge of honor ang bilis ng pag-dispose ng pera. Hindi iyan flex. Red flag iyan na mas lalo dapat ipaliwanag, siyasatin, at itanong sa mismong rules ng COA.

Ramil Madriaga, who identified himself as Vice President Sara Duterte's former aide and alleged bagman, appeared Tuesday, April 14, before the House Committee on Justice as it continued hearing the impeachment complaints against her.

Duterte is facing accusations of misusing a total of P612.5-million confidential funds of the Office of the Vice President and the Department of Education, which she has repeatedly denied.

Tuesday's meeting is the second of four days of hearings for the panel to determine whether or not there is probable cause to elevate Duterte's impeachment case to the House plenary for voting.

BLOODBATH HIGHLIGHTS:

👉 Inamin ni Ramil Madriaga na siya'y nagsilbing "financial dummy" o "bagman," at naglipat ng malalaking halaga ng pera na konektado umano sa confidential funds ni Vice President Sara Duterte.

👉 Ayon kay Madriaga, ang P125 milyong confidential funds na sinasabing naubos sa loob ng 11 araw ay naipamahagi umano niya sa loob lamang ng 24 oras.

👉Giit din ni Madriaga, nagdala siya ng mga bag na may halagang P30–35 milyon sa iba't ibang lokasyon: kabilang ang Cabuyao, Laguna para umano sa isang politiko, sa Nommu Restaurant para sa isang personalidad, batay umano sa utos ng isang "Reynold Munsayac." May dalawang bag din umanong iniwan sa parking lot ng Office of the Ombudsman noong panahon ni Samuel Martires.

👉 Sinabi rin ni Madriaga na tumanggap siya ng pondo mula sa umano'y boss ng Pharmally para sa kampanya ni Sara noong 2022 elections.

👉 Dagdag pa ni Madriaga, si Mans Carpio umano ay humingi ng kanyang tulong kaugnay sa mga nasabat na shabu-filled magnetic lifters.

VP SARA ISA UMANONG BAYOLENTENG ESTUDYANTE NOONG NAG AARAL PA ITO AYON KAY MADRIAGA

Naglatag ng mabibigat na alegasyon si Ramil Madriaga laban kay VP Sara Duterte, kabilang ang umano'y asal at akademikong rekord nito noong nag-aaral pa ng abogasya.

Sa kanyang salaysay, iginiit ni Madriaga na nahirapan umano si Duterte sa academics at nagpakita ng hindi kanais-nais na pag-uugali sa loob ng paaralan.

Aniya, "she was often struggling with her academics, and habitually rude and violent to other students," sabay banggit na may isang "Atty. Ryan" mula sa San Sebastian College-Recoletos Faculty of Law na umano'y tumulong upang matiyak ang kanyang pagpasa.

Dagdag pa niya, hindi umano naging sapat ang academic performance ng bise presidente, kaya't umasa ito sa impluwensiya ng naturang opisyal upang makalusot sa kurso.

Ipinapakita ng ganitong mga pahayag ang seryosong usapin hinggil sa posibleng paglabag sa pamantayan ng edukasyon at asal, na maaaring makaapekto sa pananaw ng publiko sa kredibilidad ng mga sangkot kung mapapatunayan ang mga alegasyon.

'THE RESPONDENT IS NOT PRESENT TODAY'

Muling tinawag ang pangalan ni Vice Pres. Sara Duterte sa kalagitnaan ng pagdinig ng House Committee on Justice hapon ngayong Martes, April 14.

Wala sa pagdinig ang bise sa pagsisimula pa lamang ng pagdinig kaninang umaga.

"May we direct the committee secretary to call respondent Vice President again. So that if she is already present, oath may be administered and she can present her evidence," saad ni House justice panel chairperson Rep. Gerville Luistro.

"Let it be placed in the record that we called again the respondent to give her opportunity to present her evidence but she's not in our proceedings."

As a Catholic, I find it abhorrent that the President of the United States would publicly attack the Successor of St. Peter. Donald Trump is flailing. His war in Iran has led to the death and injury of American servicemembers and the death of Iranian children. He will attack anyone or anything to try to protect himself, even the Church that millions of Americans find faith and comfort in every day. The American people deserve a president who understands the consequences of his words and takes responsibility for his actions.

Donald J. Trump
@realDonaldTrump

Pope Leo is WEAK on Crime, and terrible for Foreign Policy. He talks about “fear” of the Trump Administration, but doesn’t mention the FEAR that the Catholic Church, and all other Christian Organizations, had during COVID when they were arresting priests, ministers, and everybody else, for holding Church Services, even when going outside, and being ten and even twenty feet apart. I like his brother Louis much better than I like him, because Louis is all MAGA. He gets it, and Leo doesn’t! I don’t want a Pope who thinks it’s OK for Iran to have a Nuclear Weapon. I don’t want a Pope who thinks it’s terrible that America attacked Venezuela, a Country that was sending massive amounts of Drugs into the United States and, even worse, emptying their prisons, including murderers, drug dealers, and killers, into our Country. And I don’t want a Pope who criticizes the President of the United States because I’m doing exactly what I was elected, IN A LANDSLIDE, to do, setting Record Low Numbers in Crime, and creating the Greatest Stock Market in History. Leo should be thankful because, as everyone knows, he was a shocking surprise. He wasn’t on any list to be Pope, and was only put there by the Church because he was an American, and they thought that would be the best way to deal with President Donald J. Trump. If I wasn’t in the White House, Leo wouldn’t be in the Vatican. Unfortunately, Leo’s Weak on Crime, Weak on Nuclear Weapons, does not sit well with me, nor does the fact that he meets with Obama Sympathizers like David Axelrod, a LOSER from the Left, who is one of those who wanted churchgoers and clerics to be arrested. Leo should get his act together as Pope, use Common Sense, stop catering to the Radical Left, and focus on being a Great Pope, not a Politician. It’s hurting him very badly and, more importantly, it’s hurting the Catholic Church! President DONALD J. TRUMP

Trump is now attacking the Pope for speaking out against war while posting images of himself as a messianic figure.

This is not only offensive. It is deranged, egomaniacal behavior.

When will Republicans in Congress stop blindly following this dangerous and unhinged man?

Viktor Orbán passed a law labeling gay people as pedophiles. He banned Budapest Pride and made it a criminal offense to attend with €500 fines organizers facing prison time. And when people showed up anyway, he let police use facial recognition to hunt them down at the parade.

This week J.D. Vance flew to Hungary to campaign for him. He stood next to him on camera and called him "a role model for the continent."

Then he looked right into the cameras and said: "I'm here to help."

J.D. Vance flew across the ocean for a man who legally erased trans and nonbinary people from his country's own constitution. Who froze €17 billion in EU funds over corruption violations. Who spent 16 years packing courts, strangling the press, and gerrymandering maps to keep himself in power.

Putin's closest ally inside the European Union. And the person JD Vance couldn't wait to get a photo with.

Millions of Hungarians stood in lines for hours to say they've had enough.

Sixteen years. And it may finally be over🏳️‍🌈🏳️‍⚧️💙

MADRIAGA: P125M CONFIDENTIAL FUNDS "DISPOSED IN UNDER 24 HOURS," NOT 11 DAYS

Ramil Madriaga made a striking claim in his sworn statement regarding the 2022 Office of the Vice President confidential funds, alleging that the P125 million was "disposed" in less than 24 hours.

He said reports that the funds were utilized over 11 days were "wrong," insisting: "This is wrong because I personally disposed the money in less than twenty-four (24) hours," referring to media accounts of the fund usage.

The statement forms part of his broader allegations raised in connection with the ongoing House impeachment-related proceedings involving Vice President Sara Duterte. | via Marianne Enriquez/News5

73. After completing the last delivery, we left the OMB compound aboard my Blue Toyota FJ Cruiser.

74. A few years later, I read from several media reports that the **One Hundred Twenty-Five Million Pesos** (PhP125,000,000.00) OVP confidential funds in 2022 were reportedly utilized in just eleven (11) days. This is wrong because I personally disposed the money in less than twenty-four (24) hours.

MADRIAGA, IDINAWIT SI ATTY. MANS CARPIO SA MAGNETIC LIFTER TRANSACTION

Isiniwalat ni Ramil Madriaga na inutusan umano siya noon ni dating pangulong Rodrigo Duterte na tulungan ang asawa ni Vice Pres. Sara Duterte na si Atty. Mans Carpio kaugnay sa isang sitwasyon sa Bureau of Customs (BOC).

Kalauna'y napag-alaman ni Madriaga na para umano ito sa pag-release ng magnetic lifters na mayroon lamang malaking halaga ng shabu.

Hello Jesus Falcis

As a lawyer, you should know better di ba?
Allegations and audit flags aren't convictions.
Ang confidential funds rin ay hindi nangangahulugan ng corruption lalo at legal ang CF. Yes, pwedeng ma-abuso at iyon ang ating titignan sa impeachment.

Now, due process exists for a reason. Claims get tested in a proper forum: sa HOR para sa political initiation (paghahain ng mga ebidensya, pagdedetermine kung may grounds nga for impeachment, at pagsusumite nito sa Senate. At ang quasi-judicial
Trial sa Senate. Syempre, alam mo naman ito, ano?

As a lawyer uli, you know the difference between allegations, audit notes and observations, news report, AND actual proof.

Trial decides that, at hindi ang mga so-called "facts" curated by Nutribun. Those aren't verdicts. They're just a narrative.

Legal standards don't bend just because an fb page says so.

MAGHAHATI DAPAT SA TERMINO SINA PBBM AT VP SARA?

Isiniwalat ng testigo na si Ramil Madriaga na napagkasunduan umano ang term-sharing kaya napapayag si dating pangulong Rodrigo Duterte na tumakbo si Vice Pres. Sara Duterte bilang katambal ni Pres. Bongbong Marcos noong 2022.

Kasama raw umano sa planong pababain sa pwesto si Pres. Marcos kung hindi ito tutupad sa pangako pagdating ng 2025.

"After Sara took her oath as Vice-President, PRRD had a discussion with retired generals of the Armed Forces of the Philippines where I was also present regarding all possible scenarios for unseating BBM by 2025 in case he reneges on his promise," saad ni Madriaga.

Standing in Faith, United for Peace

The Province of San Pedro Bautista stands in solidarity with the call of Pope Leo XIV.

In a world longing for healing and reconciliation, we echo his call to be instruments of peace, rooted in prayer, humility, and fraternal love. As sons of St. Francis, we are reminded that true peace begins within us and radiates outward to all creation.

May we continue to walk together—faithful, hopeful, and committed to building a more compassionate and peaceful world.

@realDonaldTrump

Pope Leo is WEAK on Crime, and terrible for Foreign Policy. He talks about "fear" of the Trump Administration, but doesn't mention the FEAR that the Catholic Church, and all other Christian Organizations, had during COVID when they were arresting priests, ministers, and everybody else, for holding Church Services, even when going outside, and being ten and even twenty feet apart. I like his brother Louis much better than I like him, because Louis is all MAGA. He gets it, and Leo doesn't! I don't want a Pope who thinks it's OK for Iran to have a Nuclear Weapon. I don't want a Pope who thinks it's terrible that America attacked Venezuela, a Country that was sending massive amounts of Drugs into the United States and, even worse, emptying their prisons, including murderers, drug dealers, and killers, into our Country. And I don't want a Pope who criticizes the President of the United States because I'm doing exactly what I was elected, IN A LANDSLIDE, to do, setting Record Low Numbers in Crime, and creating the Greatest Stock Market in History. Leo should be thankful because, as everyone knows, he was a shocking surprise. He wasn't on any list to be Pope, and was only put there by the Church because he was an American, and they thought that would be the best way to deal with President Donald J. Trump. If I wasn't in the White House, Leo wouldn't be in the Vatican. Unfortunately, Leo's Weak on Crime, Weak on Nuclear Weapons, does not sit well with me, nor does the fact that he meets with Obama Sympathizers like David Axelrod, a LOSER from the Left, who is one of those who wanted churchgoers and clerics to be arrested. Leo should get his act together as Pope, use Common Sense, stop catering to the Radical Left, and focus on being a Great Pope, not a Politician. It's hurting him very badly and, more importantly, it's hurting the Catholic Church! President DONALD J. TRUMP

REP. LUISTRO NAG ALALA SA KALAGAYAN NI RAMIL MADRIAGA

Sa gitna ng pagdinig ng impeachment laban kay Vice President Sara Duterte, kapansin-pansin ang sandaling pagputol ni Gerville Luistro sa testimonya ni Ramil Madriaga matapos itong maging emosyonal habang nagsasalita.

"You can drink some water, Mr. Madriaga, drink some water," ani Luistro—isang pahayag na nagpapakita ng pag aalala at pansamantalang pagluwag sa tensyon sa loob ng pagdinig, kung saan nahirapan si Madriaga na ipagpatuloy ang kanyang salaysay.

Ang naturang eksena ay sumasalamin sa bigat ng mga ibinubunyag sa hearing, kung saan inaasahang maglalatag si Madriaga ng mahahalagang detalye kaugnay sa mga alegasyon laban kay Sara Duterte.

PIPIRMA NG BANK WAIVER

Handa raw si Ramil Madriaga na pumirma ng bank secrecy waiver para patunayan ang mga ibinunyag niya sa impeachment hearing laban kay Vice Pres. Sara Duterte ngayong Martes, April 14.

Sa pagdinig ng House Committee on Justice, isiniwalat ni Madriaga na naubos umano sa loob ng 24 na oras ang P125 million confidential funds ng Office of the Vice President (OVP) noong 2022.

Idinetalye rin niya kung paano umano siya nagsilbing “dummy” para maglipat ng pera sa iba’t ibang bank accounts.

Dati umanong aide at “bagman” ni VP Sara si Madriaga.

Trump just went on the record saying he could take out Iran in one hour. One. Fucking. Hour. So let me ask the obvious question that apparently nobody in the White House press corps has the balls to ask: if you could end this in 60 minutes, you absolute fucking fraud, why are we in month 2?

Why is the Strait of Hormuz shut? Why are fuel prices through the roof? Why are people dead? He stood there bragging about destroying power plants, hospitals, and water systems for 90 million civilians like he was ordering a McMeal.

This man describes war crimes the way normal people describe weekend plans. Full breakdown on Substack. Link in comments.

LOOK: Pharmally bosses helped bankroll the would-be presidential campaign of Vice President Sara Duterte in 2022, according to alleged Duterte bagman Ramil Madriaga.

During the House justice panel's impeachment hearing, Madriaga said he was instructed by former president Rodrigo Duterte to create a campaign group for Sara, which was nicknamed "Inday Sara Is My President".

Rodrigo told Madriaga that his friends and supporters would fund the campaign. One of these friends was Lin Wei Xiong, one of the executives of Pharmally Pharmaceuticals—which is believed to be a front to launder COVID-19 funds.

Madriaga said that P175 million was received from Lin Wei Xiong to fund ISIP's funds.

When the initial funding for ISIP ran out, Rodrigo allegedly told Madriaga to get more money from Maestrado Lim, better known as Tony Yang— the brother of Pharmally exec Michael Yang. Tony Yang has admitted to faking his Philippine citizenship to do business in the country.

It is the first day of the longest journey so far of Pope Leo's pontificate. The Holy Father departed from Rome for an 11-day visit to Africa, where he is scheduled to travel to four countries. The journey begins in Algeria, the homeland of St. Augustine, where the Catholic population is very small—only a few thousand people in a country of roughly 48 million Muslims:

So ayun, tinakbo ko na sarili ko sa hospital. Pagdating ko sa ER, sumuka na naman ako agad (nakakahiya pero hindi ko na kasi mapigilan and ramdam ko na parang mawawalan na ako ng malay.

Mag-isa lang ako that time kasi mag- isa lang ako sa condo, pero buti na lang sumunod yung mama ko. Hindi na rin ako nakapag-reply sa family ko kung nasaan ako, good thing na-locate nila ako through Find My.

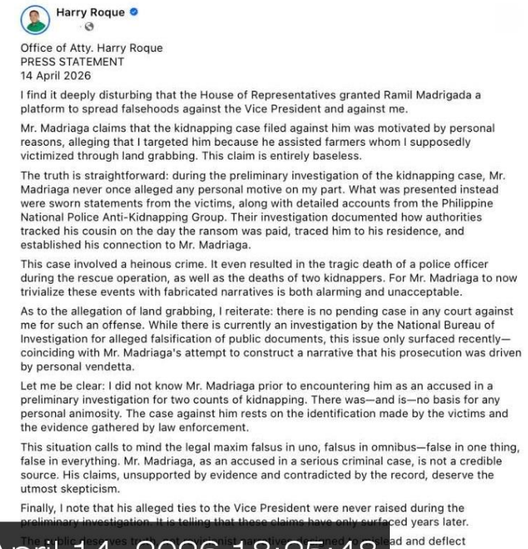
'THE PUBLIC DESERVES TRUTH, NOT REVISIONIST NARRATIVES DESIGNED TO MISLEAD AND DEFLECT ACCOUNTABILITY.'

BASAHIN: Pahayag mula sa opisina ni Atty. Harry Roque kaugnay ng naging pahayag ni Ramil Madriaga, ang umano'y bagman ng bise presidente, sa pagdinig ng House Justice Committee ngayong April 14, 2026.

"I find it deeply disturbing that the House of Representatives granted Ramil Madriaga a platform to spread falsehoods against the Vice President and against me," ayon sa bahagi ng statement ni Roque.

Sa kaniyang supplemental affidavit, sinabi ni Madriaga na masama ang kanyang loob na nagsampa ng kaso sa kanya si Roque bilang umano'y paghihiganti, dahil sa pagbubulgar niya ng umano'y land grabbing activities nito sa Mariveles, Bataan.



Harry Roque

Office of Atty. Harry Roque
PRESS STATEMENT
14 April 2026

I find it deeply disturbing that the House of Representatives granted Ramil Madrigada a platform to spread falsehoods against the Vice President and against me.

Mr. Madriaga claims that the kidnapping case filed against him was motivated by personal reasons, alleging that I targeted him because he assisted farmers whom I supposedly victimized through land grabbing. This claim is entirely baseless.

The truth is straightforward: during the preliminary investigation of the kidnapping case, Mr. Madriaga never once alleged any personal motive on my part. What was presented instead were sworn statements from the victims, along with detailed accounts from the Philippine National Police Anti-Kidnapping Group. Their investigation documented how authorities tracked his cousin on the day the ransom was paid, traced him to his residence, and established his connection to Mr. Madriaga.

This case involved a heinous crime. It even resulted in the tragic death of a police officer during the rescue operation, as well as the deaths of two kidnappers. For Mr. Madriaga to now trivialize these events with fabricated narratives is both alarming and unacceptable.

As to the allegation of land grabbing, I reiterate: there is no pending case in any court against me for such an offense. While there is currently an investigation by the National Bureau of Investigation for alleged falsification of public documents, this issue only surfaced recently—coinciding with Mr. Madriaga's attempt to construct a narrative that his prosecution was driven by personal vendetta.

Let me be clear: I did not know Mr. Madriaga prior to encountering him as an accused in a preliminary investigation for two counts of kidnapping. There was—and is—no basis for any personal animosity. The case against him rests on the identification made by the victims and the evidence gathered by law enforcement.

This situation calls to mind the legal maxim falsus in uno, falsus in omnibus—false in one thing, false in everything. Mr. Madriaga, as an accused in a serious criminal case, is not a credible source. His claims, unsupported by evidence and contradicted by the record, deserve the utmost skepticism.

Finally, I note that his alleged ties to the Vice President were never raised during the preliminary investigation. It is telling that these claims have only surfaced years later.

Pope Leo XIV: "Even the holy Name of God, the God of life, is being dragged into discourses of death. A world of brothers and sisters with one heavenly Father vanishes, as in a nightmare, giving way to a reality populated by enemies. We are met by threats, rather than the invitation to listen and to come together. Brothers and sisters, those who pray are aware of their own limitations; they do not kill or threaten with death. Instead, death enslaves those who have turned their backs on the living God, turning themselves and their own power into a mute, blind and deaf idol (cf. Ps 115:4–8), to which they sacrifice every value, demanding that the whole world bend its knee."

Friendly reminder, Pope Leo XIV is pro-life, pro-traditional marriage, against gender ideology, and against euthanasia — which every Pope is entrusted to guard.

Let's continue to always pray for our Pope 🙏

Hail Mary, full of grace,
the Lord is with thee.
Blessed art thou among women,
and blessed is the fruit of thy womb, Jesus.
Holy Mary, Mother of God,
pray for us sinners,
now and at the hour of our death.
Amen.

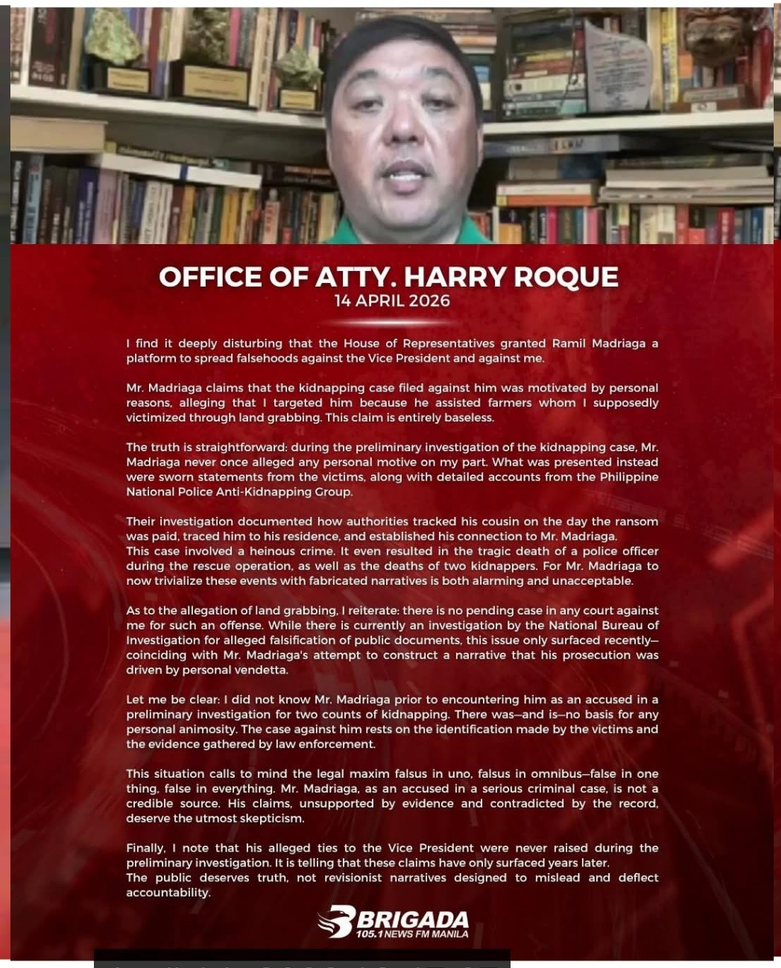
'I DID NOT KNOW MR. MADRIAGA'... more



OFFICE OF ATTY. HARRY ROQUE
14 APRIL 2026
I find it deeply disturbing that the House of Representatives granted Ramil Madriaga a platform to spread falsehoods against the Vice President and against me.
Mr. Madriaga claims that the kidnapping case filed against him was motivated by personal reasons, alleging that I targeted him because he assisted farmers whom I supposedly victimized through land grabbing. This claim is entirely baseless.
The truth is straightforward: during the preliminary investigation of the kidnapping case, Mr. Madriaga never once alleged any personal motive on my part. What was presented instead were sworn statements from the victims, along with detailed accounts from the Philippine National Police Anti-Kidnapping Group.
Their investigation documented how authorities tracked his cousin on the day the ransom was paid, traced him to his residence, and established his connection to Mr. Madriaga.
This case involved a heinous crime. It even resulted in the tragic death of a police officer during the rescue operation, as well as the deaths of two kidnappers. For Mr. Madriaga to now trivialize these events with fabricated narratives is both alarming and unacceptable.
As to the allegation of land grabbing, I reiterate: there is no pending case in any court against me for such an offense. While there is currently an investigation by the National Bureau of Investigation for alleged falsification of public documents, this issue only surfaced recently—coinciding with Mr. Madriaga's attempt to construct a narrative that his prosecution was driven by personal vendetta.
Let me be clear: I did not know Mr. Madriaga prior to encountering him as an accused in a preliminary investigation for two counts of kidnapping. There was—and is—no basis for any personal animosity. The case against him rests on the identification made by the victims and the evidence gathered by law enforcement.
This situation calls to mind the legal maxim falsus in uno, falsus in omnibus—false in one thing, false in everything. Mr. Madriaga, as an accused in a serious criminal case, is not a credible source. His claims, unsupported by evidence and contradicted by the record, deserve the utmost skepticism.
Finally, I note that his alleged ties to the Vice President were never raised during the preliminary investigation. It is telling that these claims have only surfaced years later.
The public deserves truth, not revisionist narratives designed to mislead and deflect accountability.

Lahat ng politiko, kailangan bitawan natin ‘yung mga pansarili nating gusto. [...] Sabihin na natin na, oh may nakawang nangyari, bigayan ng pera, whatever. That should be enough. Nagkaroon na kayo ng Presidente that tolerated it. So, what’s next? Dadagdagan n’yo pa? Nagpasarap na kayo nang sobra-sobra, gusto n’yo pa? Kung swerte na kayo sa buhay, it’s time to give back to the people. Huwag n’yong pahirapan ‘yung mga tao. Tama na ‘yan! [...]

'IT WAS VERY BAD NEWS NANG MARINIG KO ANG PHARMALLY'

Ito ang pahayag ni Deputy Speaker Rep. Janette Garin batay sa supplementary affidavit na inihain ni Ramil Madriaga sa ikalawang pagdinig ng impeachment laban kay Vice President Sara Duterte sa House Committee on Justice ngayong Martes, Abril 14.

Sa kanyang salaysay, binanggit ni Garin ang mabigat na epekto ng mataas na halaga ng COVID-19 testing sa bansa noong pandemya, na aniya ay nagdulot ng dagdag na pasanin sa maraming pamilya at nagpalala ng kahirapan.

Dagdag pa niya, sa kanyang kaalaman, ang Pharmally ay isa sa mga kumpanyang sangkot sa pagbili ng mga COVID-19 testing kits na umabot sa bilyon-bilyong piso na naging paksa rin ng imbestigasyon ng Senado. | DZRH News

Noong panahon ng pandemya, ang isang pabigat sa sambayanang Pilipino ay ang napakamahal na testing sa Pilipinas na hindi lang isang beses, hindi lang dalawang beses, kundi multiple—kung saan ang COVID testing na iyon ay naglugmok sa maraming pamilya sa kahirapan.

DENIED ANG APELA NI VP SARA SA COA NOTICE OF DISALLOWANCE SA CONFI FUNDS

Hindi pinagbigyan ng Commission on Audit (COA) ang apela ni Vice Pres. Sara Duterte para i-review ang inisyung notice of disallowance kaugnay sa confidential funds sa Office of the Vice President (OVP) noong 2022.

Paliwanag ni state auditor Gloria Camora, inisyu ang notice dahil sa hindi pagsunod sa 2015 Joint Circular na panuntunan sa paggastos sa confidential funds.

Dahil dito, nasa P73 milyong confidential funds ang pinababalik sa bise at dalawang OVP officials.

Bukod dito, may inilabas na tatlo pang notices of disallowance para naman sa paggastos sa P375 milyong confidential funds noong 2023.

So, will it continue? I cannot tell you because it depends on the tweet of President Trump.

GET WELL SOON AWRA 🙏

Isinugod ng TV Personality na si Awra Briguela ang sarili sa Emergency Room dahil sa matinding pananakit ng tiyan at pagsusuka.

Sa kanyang Instagram sotry, ibinahagi ni Awra ang naramdamam.

"After doing lab tests and everything, the final diagnosis is Acute Gastroenteritis with mild to moderate dehydration—probably from not eating properly these past few days (just black Americano) and not enough water," ani Awra.

"I almost got admitted because I kept asking for pain relievers and the stomach pain hadn't gone away after a few hours, but thankfully all the results came back normal. I'm okay now, just need to rest, fix my eating habits, and take my meds," dagdag pa niya.

Tinakbo ko sarili ko sa Emergency Room kasi nagising ako na sobrang sakit ng tiyan ko and I kept vomiting yellow bile. It was around 8:30am and tinira ko pa hanggang 10am, pero hindi ko na talaga kinaya kasi halos isang oras na akong nasa CR, tuloy-tuloy yung pagsusuka ng yellow acid.
So ayun, tinakbo ko na sarili ko sa hospital. Pagdating ko sa ER, sumuka na naman ako agad (nakakahiya 😭) pero hindi ko na kasi mapigilan and tandam ko na parang nawawalan na ako ng malay.
Mag-isa lang ako that time kasi mag-isa lang ako sa condo, pero buti na lang sumunod yung mama ko. Hindi na rin ako nakapag-reply sa family ko kung nasaan ako, good thing na-locate nila ako through Find My.

Netanyahu, who has been described as the Hitler of our time due to the crimes he has committed, is a well-known figure with a clear track record.
Netanyahu's current objective is to undermine ongoing peace negotiations and continue his expansionist policies in the region. Failing this, he risks being tried in his own country and is likely to be sentenced to imprisonment.
Türkiye will continue to stand by innocent civilians and will further its efforts to ensure that Netanyahu is held accountable for the crimes he has committed.
